

Security and Privacy

The purpose of this Security and Privacy Policy is to inform you of all policies and procedures related to personal information we receive when you visit <https://investsoda.com> (the “Site”). This Policy is a subject to occasional amendments and updates. If any changes of this Policy are made, we will post a notice of them on our website and in this Policy.

Personal Identifiable Information

In the course of using InvestSoda web-site, we will ask you to provide us with certain personal information that can be used to contact or identify you and administer your account (“Personal Information”), as well as enabling you to access certain restricted parts of the site. Personal Information may include, but is not limited to, your name, mailing address, email address, telephone number, credit card and bank account details. We also maintain information of your trading activity, monitor and record all or part of our communications with you. The links on the Site may also be presented in a format that enables us to keep track of whether these links have been followed.

How We Use Information

Personal Information is used for the following purposes: (i) to provide the Service, (ii) to administer your use of the Service and any accounts you may have with us, (iii) to personalize your experience, (iv) to provide to you service announcements, (v) to provide you with further information and offers from us that we believe you may find useful or interesting, such as newsletters, marketing or promotional materials, (vi) on behalf of and according to instructions of a third party, such as our advertising partners, (vii) to enforce our Terms of Use, (viii) to resolve any disputes between users of the Site or the Service, or between such users and us, and (ix) to contact you to obtain feedback from you regarding the Site and the Service. If you decide at any time that you no longer wish to receive such announcements, information or offers, please follow the unsubscribe instructions provided in the communication.

Security

We are concerned with safeguarding your information. We employ a variety of measures designed to protect your information from unauthorized access and disclosure.

Please feel free to contact our service team if you have any questions or concerns.
